Yes, it is a bit unusual to have a condominium community looking this pristine and manicured. You'll be impressed the moment you arrive. Lovely and seldom available, 2 bedroom, 2 bath unit! The layout is convenient too with a laundry room/mud room/storage space on the first floor and attached to the garage - with a door to the yard. On the main level, a spacious and bright living room, powder room and kitchen with entrance to the deck. Ready for you to move right in and entertain tonight! Pet friendly complex!
